

Steven Sund

CHIEF EXECUTIVE OFFICER

Full Professional Biography

Steven Sund is a nationally recognized security and crisis leadership executive with more than 35 years of experience in law enforcement operations, dignitary protection, major-event security, and critical incident management. He served as Chief of Police of the United States Capitol Police and served as the Commander of the Special Operations Division for the DC Police Department. His career spans high-profile and complex environments from the White House, Capitol Hill, and academia to premier sports, entertainment, and international events.

Over the course of his career, Chief Sund has helped protect every living U.S. president and secured some of Washington, D.C.'s most historic events, including five presidential inaugurations. In addition, he has led some of the most complex and high-stakes security operations in modern history, including coordinating Washington, D.C.'s law enforcement response to the September 11 terrorist attacks and overseeing responses to multiple mass casualty and targeted attacks, including the 2013 Washington Navy Yard shooting and the 2017 assassination attempt on members of Congress. His service has been recognized with numerous awards, including the Congressional Gold Medal for coordinating one of the largest law enforcement emergency responses in Washington, D.C. history.

Mr. Sund has also led security operations in high-stakes environments where discretion, precision, and preparedness are paramount. His experience encompasses government, celebrity and dignitary protective details, major national events, and premier sports and entertainment engagements, including the 2015 Papal visit, the NFL Kickoff, American Idol, Red Bull, NBA All Stars Game, MLB events, the U.S. Olympic and Paralympic Committee, the Olympic Torch Relay, the 77th Tony Awards, the 2025 U.S.–Saudi Investment Forum, FIFA World Cup 2026, and numerous major motion picture productions.

Drawing on decades of command-level experience, Mr. Sund provides clients with strategic insight, operational expertise, and trusted leadership to anticipate risk, protect people and assets, and deliver secure, seamless operations for high-profile events.

Steven Sund has been featured in leading national and international media outlets, including CBS, ABC, CNN, NBC, Fox News, 60 Minutes, PBS, TMZ, BBC, Newsmax, Sky News, the Italian News Agency, and Tokyo Broadcast Service (TBS), and is a frequently sought-after expert on crime, security, crisis leadership, and incident response. He is a best-selling author and teaches Emergency Management and Crisis Communications at The George Washington University.
